*ECO-04 has been borrowed by SOCIS for its BCA(old sylb.). Though BCA(old sylb.) has been wound-up in Jan.1998, yet all the old students are allowed to complete the programme by Dec.2011 TEE.

** EEC-19 has been withdrawn from January 2010 session.

*** SOSS has changed the course code of EPA-2 to EPA-12 w.e.f. July 2005, which has been subsequently changed to 'BPAE-102'. In fact, EPA-12 was never made available to the students.

Note:

1. Max. duration of 8 years plus the extended duration of 2 years on re-admission ($8+2 = 10$ years) remained valid up to January 2003 batch. Maximum duration has been reduced to 6 years effective from July 2003 cycle of admission.
2. BDP admission was in January cycle only until it was shifted to July cycle in 2003 July. Therefore, there was two cycle of admissions in the year 2003 (i.e. January 2003 as well as July 2003).
3. Admission of BDP only in July cycle continued till the introduction of Walk-in Admission in the year 2008. Thus, BDP students were admitted in both the cycle of admissions from January 2009 session onwards.
